Leading Brands Leading Availability Leading Service

- ◆ Over 8,000+ products for same day despatch
- ◆ Dedicated E-Commerce site
- ◆ 24/7 real time stock levels, online pricing, quick and simple ordering
- ◆ Cut Length Rolls – from our extensive cloth and cover inventory
- ◆ Roll Slitting Service – for full rolls hot or cold slit to your exact widths
- ◆ Extensive knowledge of textiles, associated accessories and hardware
- ◆ Local to Global distribution network and service

Marketing support

Bainbridge International has always recognised that as a trade supplier our success is dependent on the success of our customers. With this in mind, Bainbridge continues to update and evolve the marketing support it offers. This ranges from a comprehensive leaflet and sample system to websites dedicated to both the trade and helping the end user understand that specifying Bainbridge products is an investment in performance and value.

- Firesist 3 FR
- Top Gun FR
- Odyssey FR
- Sailcloth FR

Nylon Fabrics

- 4oz & 6oz Oxford
- Cordura

Cover Guard

Temporary Protection

- Diamond Tread
- Taffetta Flat Wall
- Impact

Solacryl Benefits

- ◆ High quality appearance of a traditional cover
- ◆ Acrylic yarns give excellent UV stability
- ◆ 100% solution dyed for consistent, rich, non-fade colours
- ◆ Anti fungal coatings
- ◆ Rot proof, oil and grease resistant

Solacryl Uncoated Acrylic Canvas

- ◆ Dodgers, stack packs, sail covers, awnings and upholstery
- ◆ Unique **Infinity Process** provides a softer fabric, ideal for complex curves and shapes
- ◆ Weather resistant - rain or shine
- ◆ Easy clean
- ◆ Colour fastness 7-8 rating

Solacryl Coated Acrylic Canvas

- ◆ Perfect for use in biminis, tonneaus, spray hoods, flybridge and mooring covers
- ◆ Optimal waterproofing - giving a water column in excess of 1000mm
- ◆ Solacryl is coated on one side with hi tech resin impregnation
- ◆ Resin finish is matt and clear - no white or milky appearance to canvas
- ◆ Antimicrobial treatment
- ◆ Offers superior waterproof qualities with breathability
- ◆ Acrylic yarns give excellent UV protection

Acrylic Canvas Technical Information

Width:	152 cm	UNCOATED
Finish:	Fluorocarbon Finishing	
Water Column:	≥300 mm	
Weight:	300 g/m ²	
Tensile Strength:	Warp - 135 daN/5 cm Weft - 80 daN/5 cm	
Water Repellence:	≥5	
Oil Repellence:	≥5	
Width:	152 cm	COATED
Finish:	Acrylic resin coating on one side. Special finish "Infinity" anti-stain, rot proof and water resistant	
Water Column:	≥1000 mm	
Weight:	325 g/m ²	
Tensile Strength:	Warp - 155 daN/5 cm Weft - 90 daN/5 cm	
Water Repellence:	≥4	
Oil Repellence:	≥4

Sunbrella Plus

- ◆ Sunbrella® Plus is the premier solution for protecting boats and their crews in extreme conditions.
- ◆ Sunbrella® Marine fabrics are superior for Boat Covers, Biminis, Tarpaulins, Protective & Rear Closures.
- ◆ A classic marine fabric combined with a special acrylic coating on one side.
- ◆ Sunbrella® Plus three times greater water resistance than Sunbrella.
- ◆ Guarantees enhanced resistance to mildew, thanks to its anti-fungal treatment, formulated specifically for use in a marine environment.
- ◆ Composition: 100% Sunbrella® acrylic
- ◆ Finish: Resin based anti-fungi coating, water and UV resistant
- ◆ Weight: 320 gsm
- ◆ Width: 152 cm
- ◆ Warranty: 5 Years
- ◆ Available in 32 colours

Dickson Sunworker

- ◆ Sunworker Marine from Dickson is 100% high tenacity polyester screen mesh. 100% high tenacity polyester composition. Recommended for external wind shield and window covers. Fire resistance to M1 - NF 92503, B1 - DIN 4102, C1 - UNI 9176, Classe 1 - UNE-EN 13773 : 2003, Bs2d0 - Euroclasse EN 13501-1.
- ◆ Composition: 100% High Tenacity Polyester
- ◆ Finish: Solution dyed plastisol coating
- ◆ Weight: 320gsm
- ◆ Width: 150cm
- ◆ Warranty: 5 Years
- ◆ Available in 10 colours
- ◆ Prices for Sunworker Marine are price per m for full rolls

Extra Heavy Duty Super Trampoline Mesh

- ◆ Extremely strong polyester mesh.
- ◆ UV and mildew inhibitors.
- ◆ Suited to outdoor tensile structures where strength, durability and resistance to the elements are required.
- ◆ Designed for industrial applications and as trampolines on bridgedeck catamarans.
- ◆ Weight: 1017gsm.
- ◆ Roll Width: 1800mm.

Part No.	Colour	Roll Width (mm)	Weight (gsm)	UOM
FH592WT	White	1800	1017	Metre

Calendared Rolled Window

NEW

- ◆ High Grade Clear PVC Window material used in marquees, sprayhoods, biminis and cockpit covers.
- ◆ Available only on full rolls.
- ◆ UV Stabilised Vinyl.
- ◆ FR rated to BS5438.
- ◆ Super clear PVC.

Part No.	Roll Length (m)	Roll Width (mm)	Thickness (mm/thou)	UOM
WG10FR	50	1370	0.35/10	Roll
WG20FR	50	1370	0.50/20	Roll

Regalite Window Sheets

NEW

- ◆ REGALITE Pressed Polished window sheets from O'Sullivan manufactured from thermoplastic clear vinyl material
- ◆ Highly polished finish that results in a soft, flexible, press polished sheet
- ◆ This clear vinyl material is perfect for marine windows, awnings cabin enclosures and automotive applications
- ◆ UV Stabilised Vinyl.

Part No.	Sheet Length (mm)	Sheet Width (mm)	Thickness (mm/thou)	UOM
K220	2800	1370	0.50/20	Sheet
K222	2800	1370	0.75/30	Sheet
K225	2800	1370	1.02/40	Sheet

Premium Rolled Window

K232:

- ◆ High Grade Clear PVC Window material used in marquees sprayhoods, biminis and cockpit covers.
- ◆ UV Stabilised Vinyl.
- ◆ Can use RF to heat seal seams against water penetration.
- ◆ K232 - Clear with paper interleaving for protection.

K432:

- ◆ Clear-VU window is a top quality extruded vinyl product that offers optical clarity. Close to a polished press sheet vinyl, while still retaining the benefits of rolled glass convenience.
- ◆ UV Stabilised Vinyl.
- ◆ K432 has a soft hand similar to rolled window vinyl.

K631:

- ◆ 1000 hour UV Roll-A-Glass is a high grade FR302 Fire Resistant window material used in marquees sprayhoods, biminis and cockpit covers.
- ◆ Passes the 1000 hour UV weatherometer test.
- ◆ Sparkling Clarity.

Part No.	Roll Length (m)	Roll Width (mm)	Thickness (mm/thou)	UOM
K232	18	1370	0.50/20	Roll
K432	17.8	1370	0.76/30	Roll
K631	27	1370	0.50/20	Roll

O'Sea Window Sheets

NEW

- ◆ O'SEA Scratch Resistant window sheets from O'Sullivan are the best quality in Clear PVC material.
- ◆ Excellent UV durability.
- ◆ Available only in full drums.
- ◆ Made in the USA.

Part No.	Sheet Length (mm)	Sheet Width (mm)	Thickness (mm/thou)	UOM
K227	2800	1370	0.75/30	Sheet
K228	2800	1370	1.02/40	Sheet

Pattern Material

- ◆ Clear Polyester Film ideal for anti-collision windows in sails, spreader windows, servicing Boardsails and as a Template Fabric for One Design Sails.

Part No.	Roll Length (m)	Roll Width (cm)	Thickness (mm)	UOM
E060	25	135	0.175	Roll
K903	50	1000	Opaque	Metre

Monofilms

- ◆ See-through polyester film for a light weight performance material for boardsails and telltale windows.

Part No.	Roll Length (m)	Roll Width (cm)	Thickness (mm)	UOM
E078	46	137	0.12	Metre
E080	46	137	0.25	Metre
E088	45.7	137	0.18	Metre

Pattern Material

- ◆ Economical, flexible and stable pattern material
- ◆ The ideal material to make on site patterns for awnings and any type of cover
- ◆ Can also be used to make sail bags and accessories
- ◆ Roll Width: 183cm
- ◆ Roll Length: 50m / 200m

Firesist 3 FR

- ◆ FIRESIST from Glen Raven is a fire retardant awning fabric that replaces Sunbrella Firesist and Firesist HUV line of fabrics.
- ◆ Firesist awning fabric combines state of the art fire retardant performance.
- ◆ Excellent UV resistance
- ◆ Deep rich colours and robust durability.
- ◆ Workability improvements make cutting, sewing and welding easier than ever.
- ◆ Weight: 297gsm.
- ◆ Roll Width: 1520cm.
- ◆ Roll Length: 45.72m.

Top Gun FR

- ◆ TOP GUN FR formerly known as Holiday is an acrylic coated 100% 600dpi woven polyester flame retardant fabric.
- ◆ TOP GUN FR can be used for many outdoor applications such as tents, commercial and industrial awnings, canopies and many other useful applications.
- ◆ Super high strength with great abrasion resistance.
- ◆ UV and Mildew resistant.
- ◆ Water repellent, permeable to water vapour but will not trap excess moisture.
- ◆ Meets USA CA State Fire Marshall NFPA 701 and CPAI-84.
- ◆ Weight: 407gsm.
- ◆ Roll Width: 157cm.
- ◆ Roll Length: 45.72m.

cover (guard)[®]

every way protected[™]

Key Benefits of Cover Guard materials are:

- Flame Retardant - Over 24 International approvals including LPS1207 certification
- Easy Installation - Cut simply with a knife and secured with the Cover Guard tape
- Polyethylene Based - Guards against liquid spillage and will not break up once wet
- Shielding against foot/wheeled traffic and activity
- Safe guards vertical and horizontal surfaces
- High impact resistance - Corrie Board and Impact Foam
- Various grades and thicknesses to suit different applications and budgets

Flame Retardant Temporary

Protection Materials.

Designed specifically with the marine industry in mind, Cover Guard provides protection to all types of surfaces during the refit and construction of boats. It's innovative solutions offer defence for carpets, windows, walls, bulkheads, decks and doors.

Tried & Tested Worldwide

Cover Guard is a global brand which has been used on many vessels including cruise ships, naval fleets, ferries, working ships, super yachts and mega yachts. It is also widely used in the offshore, aviation, rail, construction and nuclear industries - for new builds, refurbishments and maintenance.

cover (guard)[®]

- Cover Guard offers excellent screening for all types of surfaces including carpets, vinyl, wood, glass, metal, veneer, marble, ceramic, stone, furniture, bulkheads and much more.
- Cover Guard is extremely strong, durable and resistant to water, chemicals and solvents.
- Cover Guard's unique deck plate pattern provides anti-slip/anti-trip characteristics, not offered by other forms of protective sheeting.
- Compact rolls are easy to handle, particularly in confined spaces and helps keep storage space to a minimum.

Product range

- Floor Protection
- Carpet Protection
- Deck Protection
- Wall Protection
- Window Protection
- Impact Protection
- Furniture Protection
- Scaffold Protection
- Non-FR Protection

Extreme Seals

- ◆ This is a new and fully functional spray welt manufactured from extruded foam rubber and is well suited for almost all applications where a tight, waterproof seal is required when a panel or enclosure is clamped into place.
- ◆ P-Section design ensures maximum efficiency.
- ◆ Durable extruded foam rubber composition.
- ◆ Hi-tack adhesive with release paper on rear.
- ◆ This product is ideal weather strip for sealing: enclosures, dodgers, covers etc.
- ◆ A must for bow corner and radar arches anywhere a water problem may occur.

Part No.	Description	Colour	Diameter (mm)	Roll Length (m)	UOM

DOT Common Sense Turn Button Fasteners

- ◆ Traditional fastenings for Boat, Marine Covers and Canvas work.
- ◆ These positive locking fasteners never open accidentally.
- ◆ Each is assembled with a spring mechanism that holds the fastener under tension.
- ◆ Combines secure fastenings with ease of use.
- ◆ Dependable even in the most difficult environments
- ◆ Common Sense can be used on hard and soft surfaces

LOXX Fasteners

- ◆ A secure fastening solution that is lockable, easily detachable and prevents accidental opening.
- ◆ One-handed operation in one direction only, for fast assembly
- ◆ Easy to use, especially tear-proof, leak-proof and rust-proof
- ◆ 3-year guarantee, resists tensile forces over 1000 N, rounded surfaces
- ◆ Wide range of designs and finishes, including individual laser engraving, painting or printing
- ◆ Made in Germany

Other styles and colours available as special order. Minimum order quantity may apply.

YKK SNAD Fasteners

- ◆ Unlike traditional metal trims, SNAD® is a plastic adhesive snap component.
- ◆ This product will not snag clothing or deteriorate from exposure to sunlight, sand, or dirt
- ◆ Plus, walking on SNAD® is pain free due to its unique dome shape
- ◆ Installation is simple, clean the surface where the snap is to be applied, peel off the protective paper backing, position and firmly hold the snap in place and release.
- ◆ No tools, no waiting, no splits, no holes!

sailmanx Clewboards

These new Clewboards are strong and easy to fit and are suitable for a large range of yachts.

With the increasing popularity of self-tacking jibs they are able to cope with the increased loads created by modern yachts. Made in marine grade aluminium with a hard anodised finish, the use of stainless steel liners allows faster installation. Boards are available in various thicknesses to cover the high loading conditions of these sails.

- New 'Strong Arc' shape – stronger and allows integrated fit and appearance to the sail
- Filleted external edges – on both face and back of plate
- Marine grade alloy – 5083 BS EN 573 3.2009 – highly resistant to sea water
- Designed to fit standard D039S/D039N liners
- The liners complete the assembly making these fast, simple and easy to fit
- Quick fitting thanks to pilot holes for temporary pins - no slipping, forcing or reworking
- No riveting required
- For larger sails clewboards can be layered
- Can be also used in shade sail production

SMALL

- Aluminium with hard anodised finish
- Colour: Anthracite Grey

SWL:	1,923kg	2,850kg

Polynite Boltropes

- ◆ Low stretch, low shrink polypropylene construction
- ◆ Hard construction for excellent shape retention
- ◆ Available only on full reels

Part No.	Diameter (mm)	Reel Length (m)	UOM
E392	6	200	Metre
E393	7	200	Metre
E394	8	200	Metre

Boltropes

- ◆ Use as mainsail boltrope where medium stretch and excellent return is required
- ◆ Available only on full reels

Part No.	Diameter (mm)	Reel Length (m)	UOM
E401	6	200	Metre
E403	8	200	Metre
E405	10	200	Metre
E407	12	200	Metre
E441	7	200	Metre
E443	9	200	Metre

Hard Braid Luffline

- ◆ Material: Polyester
- ◆ Construction: Braid on braid
- ◆ Hard Braid luffline
- ◆ Hard section lufflines designed for maintaining their cross sectional shape in luff tapes to facilitate smooth hoisting and lowering of the sail
- ◆ Use for headsail luff tape and mainsail bolt rope
- ◆ Available only in white on full reels

Part No.	Diameter (mm)	Reel Length (m)	Type	UOM
E451	4	100	Metric	Metre
E452	5	100	Metric	Metre
E453	6	100	Metric	Metre
E454	7	100	Metric	Metre
E455	8	100	Metric	Metre

Plastic Piping Cord

- ◆ Plastic cord for piping spray hood.
- ◆ Vinyl rope
- ◆ Ideal for repair kit

Part No.	Thickness (mm)	Reel Length (m)	UOM
E491	4	305	Metre
E492	5	305	Metre
E493	6	305	Metre
E494	7	305	Metre

Extruded Vinyl Rope

- ◆ Manufactured to metric sizes for European designed systems.
- ◆ Maintains dimensional stability.
- ◆ Use for economy headsail luff tape.

Part No.	Diameter (mm)	Reel Length (m)	UOM
E491R	4	200	Metre
E492R	5	100	Metre
E493R	6	100	Metre
E494R	7	100	Metre
E495R	8		Metre

Soft Shackles

NEW

- ◆ Made out of HMPE
- ◆ Will not rust or corrode
- ◆ Light and easy to handle
- ◆ Will not damage soft surfaces around it
- ◆ No tools needed to use it
- ◆ Versatile
- ◆ Comes in 4 sizes

Part No.	Description	Dimensions (mm)	Pack Qty
SRSSH03G	Grey Soft Shackle HMPE	3 x 40	Pack 2
SRSSH04G	Grey Soft Shackle HMPE	4 x 55	Pack 2
SRSSH05G	Grey Soft Shackle HMPE	5 x 75	Pack 2
SRSSH06G	Grey Soft Shackle HMPE	6 x 90	Pack 2

Technora Aramid Leech Line

- ♦ Very low stretch
- ♦ Improved flex life compared to most aramid ropes.
- ♦ Polyester outer protects Technora core.
- ♦ Only available on full reels.

Part No.	Diameter (mm)	Reel Length (m)	Breaking Load (DAN)	UOM
E345	1.7	500	100	Metre
E347	3	330	370	Metre

Coated Dyneema Leech Line

- ♦ GP90 Coated Dyneema® Fibre
- ♦ 100% Dyneema® Fibre construction with polyurethane coating
- ♦ Very low stretch and no water absorption
- ♦ Only available on full reels

Part No.	Diameter (mm)	Reel Length (m)	Breaking Load (DAN)	UOM
E361	3	200	710	Metre
E362	4	250	1300	Metre

Braided Leechline

- ♦ Economy line for leechline, drawcord and general applications. Only available in full reels.

Part No.	Diameter (mm)	Reel Length (m)	UOM
E432	2	200	Reel
E434	3	200	Reel
E435	4	100	Reel

Bainbridge Shockcord

- ◆ Elasticated shockcord in a range of diameters and colours
- ◆ For tensioning, positioning and retrieving
- ◆ Supplied only on full reels

Part No.	Diameter (mm)	Reel Length (m)	Colour	UOM
RSESC03WRD	3	250	White / Red	Metre
RSESC04WRD	4	200	White / Red	Metre
RSESC05WRD	5	100	White / Red	Metre
RSESC06WRD	6	100	White / Red	Metre
RSESC08WRD	8	-	White / Red	Metre

HMPE Shockcord

- ◆ Primarily designed for securing objects that need stretching, the HMPE makes the cover harder wearing and stronger
- ◆ 100% stretch
- ◆ Excellent recovery from stretch
- ◆ Soft hand
- ◆ High tenacity and abrasion resistance
- ◆ High resistivity to UV
- ◆ High strength

Part No.	Dimensions (mm)	Colour	Pack Qty
SRSCS04BK	4	Black / White Fleck	
SRSCS04BL	4	Blue / White Fleck	
SRSCS05BK	5	Black	
SRSCS05BK/OR	5	Orange / Black Fleck	
SRSCS05BL	5	Blue	

Shockcord Fittings

- ◆ A range of Shockcord hooks, clamps and accessories.

12-Strand Polyester

- ◆ Strength not affected by water
- ◆ Does not shrink
- ◆ UV resistant
- ◆ Abrasion resistant
- ◆ Sinking rope
- ◆ HT polyester
- ◆ Ideal for lazy jack lines

Part No.	Diameter (mm)	Colour	UOM
SR200PS1203G	3	Grey	
SR200PS1204G	4	Grey	
SR200PS1205G	5	Grey	
SR200PS1206G	6	Grey	

3-Strand Polyester

- ◆ BS EN 697:1995 approved
- ◆ Strength not affected by water
- ◆ Does not shrink
- ◆ Good UV and abrasion resistance
- ◆ Used for anchor lines, mooring lines, fender lines and towing lines

Part No.	Diameter (mm)	Colour	UOM
SR100PS310W	10	White	Reel 100m
SR100PS312W	12	White	Reel 100m

Super 12

- ◆ Safer than wire
- ◆ Floats and is hydrophobic
- ◆ Low creep
- ◆ Easy to splice
- ◆ Highly resistant to UV and most chemicals
- ◆ Used for lashing, purchase systems, straps, control lines, towing lines, and leechlines
- ◆ Core: 12 Strand UHMwPE yarn that is heat set
- ◆ Cover: None

Part No.	Dia. (mm)	Break-ing Load (kg)	Col-our	UOM

Inox Rings - Setting Guide

- ◆ Inox Rings should always be set on the correct tools.
- ◆ Damage to the dies can be caused by excessive pressure.
- ◆ Always start with the pressure valve at zero to the desired pressure.
- ◆ Tools should be polished, light lubrication of the working faces is recommended.
- ◆ Rings must be closed with the pinned section and liner facing up in the base of the closing tool.
- ◆ Surrounding cloth should be supported while ring is being closed.

English Grommets

- ◆ Low cost, roll-rim, spur-toothed grommets suitable for a wide range of applications in sailmaking and cover work.
- ◆ Available only in full packs.

Stainless Steel - Round Rings

- ◆ Manufactured from Type 316 stainless steel, which is chemically passivated after welding to reduce the risk of staining
- ◆ TIG welded maximising strength
- ◆ Small diameter rings with the same size bar diameter will deform at a higher load, although both will have similar tensile strength

Part No.	Inside Dia. (mm)	Bar Dia. (mm)	Safe Working Load (kg)	Pack Qty

Nickel Plated Steel - O Rings

- ◆ Economy rings designed for low load applications
- ◆ Use on bags and soft side of luggage

Part No.	Inside Dia. (mm)	Bar Dia. (mm)	Pack Qty
B191	25	5	10

Nickel Plated Steel - D Rings

- ◆ Economy 'D' rings designed for low load applications
- ◆ Use on bags and soft side of luggage

Part No.	Inside Dia. (mm)	Bar Dia. (mm)	Pack Qty
B196	25	4	10
B197	38	5	10

Polypropylene Webbing

- ◆ New improved polypropylene webbing available in various widths and colours.
- ◆ System 3 binder thread webbing process - resists fraying
- ◆ Heat treated for better colour fastness and improved UV properties.
- ◆ Suitable for low load application.
- ◆ Sold in full reels only - 50m
- ◆ Other colours available on request.

Polyester Webbing - **NEW** Tubular

- ◆ New Hard/Stiffer Finish to our popular E124 webbing
- ◆ Lies straight and flat to the sail for easier application
- ◆ Simple to align webbing through multiple layers of sailcloth
- ◆ Suitable for all medium/high load application
- ◆ Ideal webbing for attaching external rings on sails
- ◆ Polyester tubular construction allows for insertion of rope, shockcord or high modulus fibres to increase strength and resist UV
- ◆ Also use in furling sails for head and tack loops
- ◆ Sold in full reels only
- ◆ Bainbridge UK manufacture.

Bainbridge Premium Tape

NEW

- ◆ High quality strong adhesive tape
- ◆ Optically clear polyester carrier 23um
- ◆ Acrylic adhesive
- ◆ 50m reels
- ◆ Exclusive Bainbridge original - UK manufacture
- ◆ Extremely high long term adhesion
- ◆ Individually wrapped helps prolong shelf life
- ◆ Works from -40°C to +120°C
- ◆ Suitable for all styles of Solacryl® fabric

Part No.	Roll Length (m)	Width (mm)	Carrier	To be Used With	UOM
J431	50	6	Polyester	All cloth	Roll
J432	50	9	Polyester	All cloth	Roll

3M Acrylic Transfer Tape

- ◆ High performance transfer tape, more elastic than conventional double sided tapes
- ◆ Transfer tapes do not have a film or cloth carrier
- ◆ Non yellowing
- ◆ Uses: Excellent for spinnakers and light sails where some stretch in the seam is desired

Part No.	Roll Length (m)	Width (mm)	Carrier	To be Used With	UOM
J132	55	9	Acrylic Based	Spinnaker Nylon	Roll
J133	55	12	Acrylic Based	Spinnaker Nylon	Roll
J134	55	20	Acrylic Based	Spinnaker Nylon	Roll

3M Seam Bonding Tape

- ◆ Super Seam Tape is better for the sailcloth, particularly on film/film laminates and nylons where stitching can tear through the cloth.
- ◆ Super Seam Taped seams often stretch less than conventional sewn seams.
- ◆ Super Seam Tape can reduce costs as the number of rows of stitching on horizontal seams of large sails can be reduced.
- ◆ Seams bonded with Super Seam Tape are light and smooth.

Part No.	Roll Length (m)	Width (mm)	Carrier	To be Used With	UOM
J180	55	12	Tissue	Laminate & Nylon	Roll
J181	55	19	Tissue	Laminate & Nylon	Roll
J182	55	25	Tissue	Laminate & Nylon	Roll

Double Sided Tape - Acrylic

- ◆ High quality double sided tape for general sail seaming.
- ◆ Fair initial tack.
- ◆ High long term adhesion.
- ◆ Low stretch mylar carrier.
- ◆ Non-yellowing.

Part No.	Roll Length (m)	Width (mm)	Carrier	UOM
J451	66	6	Mylar	Roll
J452	66	9	Mylar	Roll
J453	66	12	Mylar	Roll
J455	66	19	Mylar	Roll
J456	65	25	Mylar	Roll
J472	33	9	-	Roll

Mylar/Kevlar Seaming Tape

- ◆ Designed for film / film laminate sails, cloth carrier strengthens seam and reinforces stitching
- ◆ Fair initial tack
- ◆ High long term adhesive
- ◆ Cloth carrier
- ◆ Non yellowing

Part No.	Roll Length (m)	Width (mm)	Carrier	To be Used With	UOM
J080	45.7	12	-	-	Roll
J082	45.7	25	-	-	Roll

3M VHB Attachment Tape

- ◆ High performance acrylic adhesive
- ◆ Medium density white acrylic foam tape
- ◆ Adhesive on both sides with red release liner
- ◆ Use: Attaching automotive and marine trim, awning track & Flex-A-Rail (G512)

Part No.	Roll Length (m)	Width (mm)	Pack Qty
J112V	18	12.7	
J117V	18	22.5	

NEW

'Catchy' Hook & Loop

- **Hook & Loop Tape Fasteners**
- **Available in a range of sizes: 20, 25, 30, 38, 50 and 100mm**
- **White and Black stocked in all sizes**
- **Navy Blue, Beige and Grey stocked in 25 and 50mm**
- **High Shear tensile strength**
- **Full 25m reels only**
- **In both sew-on and adhesive formats**
- **Genuine Bainbridge polyester Hook & Loop original manufactured in the UK**

Heminway & Bartlett Dabond Pre-Wound Bobbins

- ◆ Heminway & Bartlett Pre-Wound Bobbins are wound on a thin core and therefore can have up to 30% more thread per bobbin than can be wound on by a sewing machine.
- ◆ Saves time and effort with fewer bobbin changes and longer continuous seams.
- ◆ Hemlocks are supplied only in full packs of 144 bobbins.

SunStop Anti-Wick Thread

- ◆ A high performance twisted multifilament polyester sewing thread
- ◆ Specially designed for outdoor applications where seam strength retention and fade prevention during UV exposure are required
- ◆ Anti-Wicking
- ◆ 8oz spools (1/2 lb)
- ◆ Excellent UV resistance
- ◆ Fade resistant
- ◆ Top 16 Sunbrella Colours.

SolarFix® PTFE Thread

- ◆ SolarFix® thread is guaranteed to last!
- ◆ Made of 100% PTFE (PolyTetraFlouroEthylene) fibre
- ◆ SolarFix® is THE best thread choice for all marine and outdoor applications
- ◆ Extremely resistant to harmful UV rays and atmospheric degradation
- ◆ SolarFix thread will not lose any significant strength due to UV
- ◆ Limited lifetime warranty

Tools

Tools - Pattern Material & Measuring Tools

303 Fabric Cleaner

- ◆ Super-concentrated, new technology cleaner.
- ◆ Contains no soap, detergent or solvent.
- ◆ Non-hazardous, non-toxic and non-flammable.
- ◆ Super-concentrated and super safe.
- ◆ Dilute for spot removing and general cleaning. Safely removes even and most difficult stains.
- ◆ Rinses residue free.

Part No.	Type	Size (ml)	UOM
M020	303 Fabric Cleaner	946	Each

YKK® – Zippy Cool Cleaner

- ◆ Remove harmful dirt, sand and salt deposits – great for marine zippers.
- ◆ Zippy Cool will effectively clean and lubricate all types of metal.

Part No.	Style	UOM
M031	Zipper Lube	Each

3M Adhesive Remover

A specially blended solvent that provides easy cleanup of most types of adhesive and quickly removes waxes, road tars, grease, oil and similar materials. Will not harm vinyl or fabrics when properly used. Always try on a small area of similar material before use on a sail or cover.

- ◆ Easy to apply.
- ◆ Non-Toxic.
- ◆ Non-Allergenic.
- ◆ Much safer than acetone.

Part No.	Liquid Measure (ml)	UOM
M040	946	Each

Iosso Mould & Mildew Remover

- ◆ Removes mould, mildew, tough dirt and some stains.
- ◆ Use on fabrics, vinyl, plastic, fibreglass and wood.
- ◆ Colour and fabric safe.
- ◆ Gentle to skin, no harmful vapours.
- ◆ Just add water to the biodegradable non toxic, non chlorine powder.

Part No.	Size (kg)	UOM
M212	0.34	Each

IMAR Strataglass

- ◆ Window polish and cleaners made by IMAR.
- ◆ Gently cleans all plastics without scratching.
- ◆ Leaves a lustrous shine that resists fogging, repels dust and eliminates static.
- ◆ Resists finger marking.
- ◆ Contains no abrasives or harsh chemicals.
- ◆ Leaves a smooth, clean and grease-less shine.

M2214

M2224

Part No.	Size (ml)	Type	UOM
M2214	118	Strataglass Cleaner	Each
M2224	118	Stataglass Polish	Each

Dickson TEX'AKTIV Clean

- ◆ Recommended for all Sunbrella fabrics.
- ◆ Removes stains and eliminates bad odours on all marine fabrics.
- ◆ Deep-acting powerful stain remover.
- ◆ Works well on deck chairs, cushions and all marine covers such as biminis and sprayhoods.

Part No.	Volume l)	UOM
SUNTEX003	1	Each
SUNTEX004	5	Each

Spray Adhesive

- ◆ An extremely versatile spray adhesive that permits either a temporary or permanent bond with a new "low mist" formula.

Part No.	Size (ml)	UOM
J959A	500	Each

Seam Sealer

- ◆ Protects sewn seams.
- ◆ Does not change the look or feels of the fabric.

Part No.	Type	Liquid Measurements (ml)	UOM
M216	Seam Sealer	118	Each

303 Protectants

- ◆ 303 is excellent for preventative maintenance, with UV screen that reduces fading and degradation due to ozone, acid rain and weather.

Boat Cover Cleaner

- ◆ Keeps your covers looking beautiful all year long
- ◆ Removes dirt and stains from boat covers, tarpaulins, biminis etc

Part No.	Volume (ml)	UOM
SB92122	650	Each

Boat Cover Cleaner

- ◆ Keeps your covers looking beautiful all year long
- ◆ Removes dirt and stains from boat covers, tarpaulins, biminis etc

SB81922

SB81900

Part No.	Volume (ml)	UOM
SB81900	3790	Each
SB81922	650	Each

Black Streak Remover

- ◆ Quickly removes black streaks caused by water run off
- ◆ Safe for use on fibreglass, metal and painted surfaces
- ◆ Will not remove wax or polish
- ◆ Spray directly onto black streaks and wipe off; no hard scrubbing needed
- ◆ Hundreds of uses; will instantly remove stains and marks on boats, cars, caravans and around the house

SB71622

SB71600

SB71664

Part No.	Volume (ml)	UOM
SB71622	650	Each
SB71664	1890	Each
SB71600	3790	Each

Black Streak Remover

- ◆ Quickly dissolves messy spider and bird droppings
- ◆ Non-toxic, all-natural formula
- ◆ Contains no bleach; safe for use around children and pets.
- ◆ Will not remove polish or wax
- ◆ Safe for all marine surfaces and fabrics

Part No.	Volume (ml)	UOM
SB95122	650	Each

Black Streak Remover

- ◆ Quickly removes insects and road film from glass, paint, plastic and metal
- ◆ No hard rubbing or scrubbing required
- ◆ Does not remove waxes or polishes
- ◆ Convenient spray-on, wipe off application

Part No.	Volume (ml)	UOM
SB92722	650	Each

Mildew Stain Remover

- ◆ Removes mildew stains on contact without heavy scrubbing
- ◆ Special buffered formula will not harm vinyl upholstery or thread
- ◆ Safe for use on fibreglass, painted surfaces, rubber, plastic and vinyl headliners, bolsters and upholstery
- ◆ Does not weaken fabric or thread

SB85616

SB85600

Part No.	Volume (ml)	UOM
SB85616	600	Each
SB85600	3790	Each

Plastic Scratch Remover

- ◆ Restores hazy or yellowed clear plastic enclosures
- ◆ Removes fine scratches from acrylic, polycarbonate and most other types of plastic surfaces
- ◆ Cleans off stains, salt deposits and surface discolouration
- ◆ Use as the first step in the restoration of deteriorated plastic

Part No.	Volume (ml)	UOM
SB82016	475	Each

Plastic Polish Restorer

- ◆ Restores shine and clarity to acrylic, polycarbonate and most other types of plastic surfaces
- ◆ Adds UV protection to all clear plastic surfaces
- ◆ Use as the second step in the restoration of deteriorated plastic

Part No.	Volume (ml)	UOM
SB87308	236	Each

Rain View

- ◆ Improves wet weather visibility through windshield and windows
- ◆ Use on glass
- ◆ Works with or without windshield wipers
- ◆ Makes surface so slick that rain and wet weather deposits literally slide off
- ◆ High-Tech Formula

Part No.	Volume (ml)	UOM
SB88708	237	Each

Sea-Safe Waterproofing

- ◆ Unique formula is lake and reservoir safe; can be applied while boat is in or near the water
- ◆ Ideal for use on foul weather gear, tents, tarps and other outdoor gear
- ◆ Unique biodegradable bottle helps reduce landfill overcrowding
- ◆ Protects new fabrics, adds years to service life
- ◆ Will not affect colours or the feel of fabric

Part No.	Volume (ml)	UOM
SB89755	650	Each

Slime & Grime Stain Remover

- ◆ Removes mould stains and mildew stains, rust, tarnish and other tough stains quickly
- ◆ Works on boat bottoms, shower stalls, floor tiles, fibreglass, wood, aluminium, cement, non-skid decks and metal surfaces
- ◆ Concentrated powder formula

Part No.	Volume (ml)	UOM
SB94816	500	Each

Snap & Zipper Lubricant

- ◆ Removes mould stains and mildew stains, rust, tarnish and other tough stains quickly
- ◆ Works on boat bottoms, shower stalls, floor tiles, fibreglass, wood, aluminium, cement, non-skid decks and metal surfaces
- ◆ Concentrated powder formula

TERMS & CONDITIONS

1. CONTRACTS

- a. Contracts are made and orders accepted only upon and subject to these Terms and Conditions of Sale. All other conditions are hereby excluded unless expressly accepted in writing by Bainbridge International Ltd or Aqua-Marine International Ltd (hereinafter called the "Seller").
- b. In entering into a contract with the Seller, the contracting party (hereinafter called the "Buyer") acknowledges that the contract has not been induced by any representations orally or in writing made by the Seller, is servants or agents.
- c. Any quotation, estimate or tender previously given or made by the Seller was not an offer but an intimation of the terms upon which the Seller was prepared to negotiate. The offer to contract with the Buyer made by these conditions may be accepted by the Buyer in a formal manner or may be inferred from the Buyer's acceptance of performance, in whole or in part, by the Seller. Any conditions contained in any purported acceptance by the Buyer shall be disregarded and the acceptance shall be construed as an unqualified acceptance of these conditions.
- d. Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by the Seller shall be subject to correction without any liability on the part of the Seller.

2. PRICES

- a. Unless expressly stated otherwise by the Sellers, all prices quoted are ex works and exclude the cost of packing. Any applicable value added tax or any other sales tax or excise duties paid or payable by the Seller shall be added to the price and shall be payable by the Buyer.
- b. The Seller may, at their sole absolute discretion, accept or reject any order placed by the Buyer. The Seller may change the price of goods for future invoiced goods to the Buyer without notice.
- c. In the event of the Buyer cancelling a part of the order in accordance with the provisions of Clause 12, the Seller reserves the right to revise the price or prices quoted for goods already delivered.
- d. The contract price is, unless specifically agreed upon in writing by the Seller, payable in Pound Sterling. The Seller reserves the right to review the contract price(s) in the event of devaluation of the Pound Sterling or substantial change in the value of Pound Sterling in the foreign exchange markets.

3. CONDITIONS AND WARRANTIES

- a. Seller shall not be liable for the normal manufacturing defects nor any customary variations from quantities or specifications. A variance of not more than 15% either way from the total specified weight, quantity or length shall be deemed compliance with this contract.
- b. Where samples of goods or a colour chart are provided, these are submitted only as indicative of the class, size or colour of goods quoted for and sales of goods shall not be by reference to any such samples or colour charts.
- c. Whilst all description and illustrations of the goods in (inter alia) catalogues, brochures, web sites and price lists provided by the Seller have been carefully prepared, they are intended nevertheless for general guidance only and do not form part of any contract for sale of goods and no responsibility is accepted for any errors or omissions therein or for any loss or damage resulting from reliance on such descriptions and illustrations.
- d. When the Seller agrees to provide a specially designed plan, the Buyer agrees that he is obliged to check the accuracy and suitability of the plan and that the Seller shall not be liable for any omissions or inaccuracies in the measurements given. The copyright in the plan drawn up by the Seller is, and remains, their property and may not be reproduced in whole or in part without written consent.
- e. If the Buyer claims or detects a defect in the goods, the Buyer will seek prior approval and return those goods to the Seller or, if the goods are retained by the Buyer, indemnify and keep the Seller indemnified against all liability and claims which may arise out of or incidental to the defect.
- f. The Seller has undertaken no responsibility for learning about the end purpose or use for which the goods are to be used, and the Buyer shall undertake to conduct whatever tests or examinations are necessary to confirm that goods are suitable for such end use.
- g. Any textile products that may be sold hereunder are sold subject to any imperfections that are typically regarded as acceptable in the textile trade resulting from the weaving and finishing thereof, and Seller shall have no liability in connection with any such imperfections. Buyer warrants that all merchandise covered by this contract is purchased for resale as tangible personal property, or to be incorporated as a component or part of other tangible property to be produced for sale by manufacturing, assembling or processing.
- h. The Buyer shall not be entitled to accept part only of the goods.
- ### 4. DELIVERY BY THE SELLER
- a. Unless and except as otherwise expressly provided in writing by the Seller, delivery shall be ex works place of business.
- b. Any dates quoted for delivery of the goods are approximate only and the Seller shall not be liable for any delay in delivery of the goods howsoever caused. Time for delivery shall not be of the essence unless previously agreed by the Seller in writing.
- c. Where goods are offered for delivery to a site, the Seller's obligation is to deliver as near to the site as safe hard roads permit. The Buyer is to provide at its own expense the labour required for unloading and stacking.
- d. The Seller reserves the right to deliver goods by instalments and in such event each instalment shall be treated as a separate contract save that the delivery of further instalments may be withheld until goods contained in earlier instalments have been paid for in full.
- e. Where goods are held by the Seller awaiting delivery instructions, they may be subject to a storage charge. For account holding customers, payment for these goods must be made on or before the last day of the month following the month of the invoice; for non-account holding customers, payment must be made at the time of ordering.
- f. In the absence of shipping instructions, the issuing of an invoice shall constitute delivery to the Buyer.
- ### 5. COLLECTION BY THE BUYER
- a. Where goods are sold "ex-factory" the Buyer shall collect the goods at the Sellers premises within seven days of the Seller's notifying the

buyers that the goods are ready for collection.

- b. If the Buyer fails to collect the goods within seven days of notification that they are ready for collection, then, without prejudice to any other right or remedy available to the Seller, the Seller may:
- Store the goods until actual delivery and charge the Buyer for reasonable costs (including insurance) of storage; or
 - Sell the goods at the best price readily obtainable (after deducting all reasonable storage and selling expenses) account to the Buyer for the excess over the price under the contract or charge the Buyer for any shortfall below the price.
- ### 6. DAMAGE, LOSS, SHORT DELIVERY
- a. On delivery, the Buyer shall examine the goods for defects and completeness. Thereafter no claim for damage in transit, for shortage in delivery, or for loss of goods will be entertained except, in the case of damage, a separate notice in writing is given to the Carriers or to the Seller within three days of the receipt of the goods, followed within 14 days of the date of advice of despatch by a complete claim in writing; or, in the case of loss of goods, a separate notice in writing and a claim is given to the Seller and Carriers within 14 days of the date of the Seller's advice of despatch to the Buyer. In all cases a signature "unexamined" shall be deemed to be an unconditional acceptance of the goods.
- b. The Seller shall not in any circumstances be liable, whether in contract or tort, to the Buyer for any indirect or consequential loss or damage (including without limitation, loss of profits, loss of contracts or damage to property) or for any claim against the Buyer by any third party.
- c. The Seller's liability for damage or non-delivery of goods duly notified in accordance with the above shall in any event be limited to replacement of the goods within a reasonable time (or, at the Seller's option, refunding the price thereof) whether the damage or non-delivery is due to the Seller's negligence or otherwise.

7. ROLL LENGTHS

- a. Where goods are sold as a measured length there may be a variation in length of plus or minus 2%. In the event of a claim the seller reserves the right to insist that the roll be returned for measuring before a settlement is agreed.

8. CREDIT AGREEMENTS

- a. Where the Sellers has granted the Buyer a credit facility, the price of goods and/or service shall be paid by the Buyer as per the payment terms specified on the invoice or, if the Seller shall so require under Clause (b) of this Clause 7, to be paid on demand without any period of notice.
- b. The Seller reserves the right to withdraw or vary credit facilities at any time to the Buyer without either giving any reason for doing so, or thereby incurring any liability to the Buyer.
- c. If the Buyer takes goods from the Seller in excess of the Buyer's credit limit, the Seller may require payment on delivery for such excess of goods.

9. TERMS OF PAYMENT

- a. Unless credit facilities have been granted to the Buyer or unless otherwise specifically provided in writing, the price for the goods shall be paid by the Buyer in cash on delivery and in default the Seller shall be entitled to withhold delivery until payment. In the case of non-cash sales, the Seller shall be entitled to charge and recover interest from the Buyer on the price of the goods calculated at whichever shall be the greater: the statutory interest payable under the Late Payment of Commercial Debts (Interest) Act 1998 or the rate of 4% per annum
- b. Unless otherwise expressly agreed upon in writing, no other discounts or commissions are to become due or allowable to the Buyer (any previous course of dealing between the parties notwithstanding).
- c. Where there is a term of contract that payment of any of the Seller's invoices is dependant upon the issues of the certificate of a third party, the due date for payment of the invoice is not later than 14 days after the issue of the relevant certificate.

10. LATE PAYMENT

- a. When payment of any of the Seller's invoices is overdue, the Seller may suspend their performance of the contracts to which the invoice relates and/or of any other contract then subsisting between the Seller and the Buyer.
- b. In the event of legal action being taken by the Seller against the Buyer for breach of payment obligations hereunder, the Buyer shall be responsible for all costs and disbursements incurred by the Seller on a full indemnity basis.

11. RISK AND LIABILITY

- a. b. c. Risk of damage to or loss of the goods shall pass to the Buyer at the time of delivery or, if the Buyer at the time of delivery of the goods, the time when the Seller has tendered delivery of the goods. For the purpose of this Clause 10, "delivery" shall mean the arrival of the goods at the place of delivery of the Buyer where delivery is by the Seller, or the safe loading of the goods into the Buyer's vehicles at the Seller's premises where delivery is through collection by the Buyer. In no event shall the Seller be liable for damages with respect to the sale or use of any product sold hereunder in any amount greater than the amount of the purchase price received by the Seller for that particular product. In addition, the Seller shall not be liable for any consequential, incidental, or special damages or costs or expenses in the event of any breach of warranty or in the event of any loss, damage injury or cost resulting from, or arising out of, or in respect of the goods being sold hereunder. When any goods are sold hereunder bear a particular label, trademark, or trade name, affixed at the request of the Buyer, it is the understanding of the parties that the Buyer warrants that he has the right to use said label trademark or trade name, and that he hereby agrees to indemnify and hold harmless the Seller against any loss, damage or claim by any person with respect thereto.
- d. The Buyer agrees to reimburse the Seller, and hold Seller harmless against liability for all expenses, including legal fees, incurred by the Seller that may arise in connection with Seller's enforcement of its rights under this contract.
- e. The Seller has undertaken no responsibility for learning about the end purpose for which the goods are to be used, and Buyer shall undertake to conduct whatever tests or examinations are necessary to confirm that goods are suitable for such end use.

12. RETENTION OF TITLE

- a. Notwithstanding delivery and the passing of risk in the goods or any

other provision of these conditions, the property in the goods shall not pass to the Buyer until the Seller has received in cash (or cleared funds) payment in full of the price of the goods and all other goods agreed to be sold by the Seller to the Buyer for which payment is then due.

- b. Until such time as the property in the goods passes to the Buyer, the Buyer shall hold the goods as the Seller's fiduciary agent and bailee, and shall keep the goods separate from those of the Buyer and third parties and properly stored, protected and insured and identified as the Seller's property. Until that time the Buyer shall be entitled to resell or use the goods in the ordinary course of its business, but shall account to the Seller for the proceeds of the sale or otherwise of the goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any monies or property of the Buyer and third parties and, in the case of tangible proceeds, properly stored, protected and insured.
- c. Until such time as the property in the goods passes to the Buyer (and provided the goods are still in existence and have not been resold), the Seller shall be entitled at any time to require the Buyer to deliver up the goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the goods are stored and repossess the goods.
- d. The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the goods which remain the property of the Seller, but if the Buyer does so, all monies owing by the Buyer to the Seller shall (without prejudice to any other right or remedy of the Seller) forthwith become due and payable.

13. CUSTOMER CANCELLATION OF ORDERS

Contracts and orders and parts thereof may be cancelled only by the Seller's written acceptance of such cancellation. Where the Seller accepts such cancellation, the Seller reserves the right to charge the Buyer with the amount of any losses or expenses directly or indirectly resulting from such cancellation. Where the Seller does not accept such cancellation, the Seller, reserves the right to recover the invoice price from the Buyer and to charge the Buyer with additional losses both direct and indirect resulting from such cancellation. In any case where the Seller were required to place a deposit with a manufacturer or supplier in respect of an order, the Seller may require the Buyer to reimburse such sum in the event of cancellation.

14. CUSTOMERS RETURNING GOODS

- a. The seller will only accept goods being returned by customers if prior consent has been given by the seller. In the event of wishing to return goods customers must contact the seller to obtain a 'goods return note number' that must then be attached in an appropriate manner to the goods. The seller reserves the right to refuse to accept goods being returned by a buyer. In cases where the seller does agree to accept a return the seller reserves the right to charge a handling fee not exceeding 50% based on the invoice price of the goods.
- b. Excluding circumstances where goods are being returned for the reason of damage or are subject to warrantee claim, goods being returned to the seller must arrive in a condition that allows them to be re-sold. In the event that returned goods are not in good condition the seller reserves the right to withdraw any agreement for credit with the buyer or to charge a handling fee.

15. CONSENTS

The obtaining of any necessary consents for the installation of the goods, whether from local or other authorities or for ensuring that the installation of the goods is in accordance with the provisions of any by-laws, regulations or statutes shall not be the responsibility of the Seller.

16. FORCE MAJEURE

The Seller shall not be liable to the Buyer or be deemed to be in breach of contract by reason of any delay in performing, or any failure to perform, any of the Seller's obligations in relation to the goods, if the delay or failure was due to any cause beyond the Seller's reasonable control. Without prejudice to the generality of the foregoing, the following shall be regarded as causes beyond the Seller's control:

- Act of God, explosion, flood, tempest, fire or accident;
- War or threat of war, sabotage, insurrection, civil disturbance or requisition;
- Acts, restrictions, regulations, by-laws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority;
- Import or export regulations or embargoes;
- Strikes, lock-outs or other industrial actions or trade disputes (whether involving employees of the Seller's or of a third party);
- Difficulties in obtaining raw materials, labour, fuel, parts or machinery;
- Power failure or breakdown in machinery.

17. INSOLVENCY

The Seller shall have the right to terminate the contract forthwith where the buyer becomes insolvent or bankrupt or makes arrangements with its creditors or suffers a receiver to be appointed or being a body corporate enters into liquidation (other than in connection with a reconstruction or amalgamation) in any of which cases the Seller shall have no further obligation hereunder and the price for all goods delivered and work done shall become immediately due and payable.

18. LAW APPLICABLE

These conditions shall be governed and construed in accordance with English law and all disputes arising in connection therewith shall be submitted to the jurisdiction of the English courts.

19. GENERAL

- a. No provision hereof shall be deemed waived and no breach or default excused unless such waiver or excuse is in writing signed by an authorised officer of the party making the writing.
- b. If any provision or part of a provision of this Agreement shall be, or found by any authority or court of competent jurisdiction to be, invalid or unenforceable, such invalidity or unenforceability shall not affect the other provisions or parts of such provisions of this Agreement, all of which shall remain in full force and effect.
- c. The headings in this document are inserted for convenience only and shall not constitute a part of or are referred to in its interpretation.
